▼ : This symbol means "Deploy X from Reserve Deck; reshuffle." where X is the name of the card that immediately follows it.

▲ : This symbol means "Take X into hand from Reserve Deck; reshuffle." where X is the name of the card that immediately follows it.

**Defensive Shields:** These cards are not Effect cards, as their card type has been replaced with Defensive Shield. One of these cards cannot be played as an Effect Card if you are using the virtual version of that card. The Effect icon in the upper left corner is ignored, and they cannot be the target of Alter.

To use these cards, simply print them out and cut out the area beneath the card title, and place the cutout in a sleeve with the original card. We recommend using opaque sleeves. If you use clear sleeves, the cutout must be attached to the original card using tape or some other adhesive so the cutout does not slide. The adhesive must not be visible and must not noticeably increase the thickness of the card, if it does, the tournament director may interpret that as cheating and penalize you appropriately.
