## OUR PHILOSOPHY

Make A Joyful Noise Preschool is a Christian-based learning center designed for three through five year olds. Our goal is to meet the early spiritual, social, physical, and intellectual needs of children. We strive to provide a safe, nurturing, child-centered environment. Children learn best through example and discovery. Stories, games, music, dramatics, art and structured play are all used in building an early learning foundation. Activities will be designed around the children's ages and maturity levels. Specific skill areas addressed at this school will include:

- \*Christian Education
- \*Fine/Gross motor activities
- \*Social Skills
- \*Language Development
- \*Pre Reading Skills
- \*Pre Math Skills
- \*Scientific Discovery
- \*Music/Movement
- \*Dramatic and Visual Arts

## Christian Education

Make a Joyful Noise Preschool will include Bible Stories and Christian music in it's curriculum. We will offer prayers at snack time, etc. We will be teaching about the wonders of God's creations, and about Jesus, God's son. We may have Cornerstone Christian's pastor, Dave Kleinfeldt, and other church members as guest Chapel Story tellers.

## MUSIC/ CHILDREN'S LITERATURE

Music will be integrated into the preschool's curriculum throughout the day. We'll sing, listen to music, make our own music, and move to music.

Children's Literature holds a special place in the director's heart so we will be sharing many stories with the children, then expand their messages with art and other activities. We will also be offering you opportunities to order books through the Scholastic Book Clubs.

**Joyful Journeys** is a NEW program. It will meet Wednesday and Friday afternoons from 12 to 2 PM. These classes are designed for 3-5 year olds. Registration fees apply and tuition cost vary depending on the course. Please see enclosed information and registration forms.
