Re: Fame, Fortune or FIRED!

Date: October 26,

Here is the application and announcement I promised about the opportunity **YOU** have to play an exciting employment simulation game with the Pennsville Wal-Mart. Just fill out the application that accompanies this memo to the very **BEST** of your ability and return it to me by Tuesday, November 3<sup>rd</sup>. I will turn it over to the Wal-Mart personnel people. If they like your application they will interview you at school during the month of November. We have invited Today's Sunbeam to cover this event. If you do well in the interview you will be hired. In April I will send information about your grades, behavior, and attendance to Wal-Mart, and they will decide if you are fired, retain your position or perhaps get a promotion. They will pretend that the work you did at school was done for them at their business. They will treat you like any other adult employee, not like a kid. Their performance standards may be different from those at our school. If you are retained or promoted you may win a prize at the end of the school year. We may be able to give away \$500-\$1,000 in Wal-Mart gift certificates. Please note:

If no one meets the company's performance standards, no prizes will be awarded. All firings would be done in private, only awards will be made public. This is a program that is unique to Elsinboro School and has received statewide recognition –

***PLEASE GIVE IT A TRY!***

Participation is strictly voluntary

Parent/Guardian must sign job application
