

# Zapatista news from Chiapas

In the state of Chiapas in southern Mexico a rebel army rose on January 1st 1994. Today a network of autonomous councils and village assemblies exists as an alternative to the state and national governments. The Irish Mexico Group provides solidarity with and news from their struggle.

## News 'as it happens'

The IMG provide a low volume email list with selected news from Chiapas. There are only an average of 3 posts per week on this list. You can subscribe by emailing an empty message to [IMG\\_news-subscribe@egroups.com](mailto:IMG_news-subscribe@egroups.com)

## History and analysis of the struggle

Through our web page we make available thousands of articles about Chiapas, communities from the EZLN and accounts written by people visiting the area. All are arranged in subject indexes including a brief history of the struggle since 1994. Visit the web page at <http://zap.to/chiapas>
