BRUNEI DARUSSALAM SECTION

General

- Brunei SPE section launched in 1997.
- Latest count on section members:
 - 1998: 101
 - 1999: 94
 - 2000: 80+
 - 2001: 78
 - 2002: 75
- Reduction mainly due to members transfer out. A few additions from new graduates.

SOCIETY OF PETROLEUM ENGINEERS
BRUNEI DARUSSALAM SECTION

Committee Meetings

- Four to six committee meetings per year.
- Main steerage centred around:
 - **SPE Distinguished Lecturer series**
 - **SPE Evenings and sponsorship**
 - **Community & educational issues**
 - **Major events: Applied Technology Workshops (1998 & 2001)**

SOCIETY OF PETROLEUM ENGINEERS
BRUNEI DARUSSALAM SECTION

SPE Evenings

- 3-4 Distinguished Lecturer visits per year.
- Average attendance - 50 people.
- Talks by local business figures very popular.
- Number of UBD students attending encouraging.
- Good balance of location both in BSB & KB.
- Main source of contribution for funds.
- Excellent support from operators and service providers to sponsor the evenings.

Ministry of Education - STEP

- STEP - Science, Technology and Environment Partnership initiated by Ministry of Education.
- Brunei SPE Section supports this initiative.
- Will donate B\$3000 from SPE funds to promote Science, Technology Enrichment Programmes.
- Dedicated support from operators and service providers are also required.
- SPE & members will need to play a more proactive role in this area.
