Dear members and colleagues,

YES ! , the 2nd of September saw a rather pleasurable evening at the Brunei Hotel for SPE members in Brunei Darussalam. We should have more of this ... , demanded many satisfied customers. We WILL have more of this. In fact the next one will be held on the 3rd of November. So GET YOUR TICKETS, QUICK ! before they run out.

For the sake of those who missed the 2nd of September event, let me give you a glimpse of the evening. After a warm welcome by the committee, members were well entertained to a one hour talk by Chris Landeck of UNOCAL on the Stacked Template Structure approach to field development in East Kalimantan fields. The keen interest of the audience was clearly expressed by the number of wide ranging questions put to Chris. In fact question-answer session lasted well over an hour as well. The venue and dinner were both excellent, many thanks again to the good taste of the organisers and sponsor of the evening, Fletcher Energy Challenge.

Coming up next is

The next Brunei SPE get-together is planned on the 5th of November 1997. This time, in response to popular requests from KB residents, it will be at SKBB Plaza, KB and as usual dinner will be served. This coming SPE evening will be sponsored by Halliburton, and the guest speaker is Mr. Jim Reynolds from Halliburton Worldwide Ltd. The topic of his presentation is " Partnering and Alliances". It sounds like another promising event so do get your ticket quick, before it runs out.....
