Read the Weekly League Newsletter from the MDFFL's myfantasyleague.com Web site for the latest league news. Read it every week because sometimes it's the only way I communicate important, time-sensitive information.							Gore,F	SFO	Whodats	11	95.00	8.64	Gonzalez,T	KAN	Wood Wins	16	135.00	8.44

If you see a difference in points between what is on this report and what is on the myfantasyleague.com Web site, it's probably the 1 point for each NFL team win. This report doesn't include it, the myfantasyleague.com Web site does. League rules are that the one point for a player's NFL team win will only go to the MDFFL team in the team standings, not the player in the player standings.
