

Raigad

Raigad is more than a trek – it is a pilgrimage to the mighty capital of one of the greatest rulers of all time – Chhatrapati Shivaji Maharaj. To those not able or inclined to trek up the well-trodden path to the top, the Raigad Ropeway provides a convenient alternative, taking you to the summit in a matter of minutes while treating you to a spectacular view. Once you reach the top, a magnificent vista unfolds both of the numerous ancient structures as well as the surrounding mountains and valleys.
