

THE SANITY HYPOTHESIS

[INTRO]

[FINAL VERSE]

Being a slightly evolved
Mammal species of less than
5 Millions years on
The Planet Earth
We share the same
Anxiety pain with our
Fuzzy cousins
The shroud of Turin IS real
Aliens DID land in Roswell
Creation is a
Logical assumption
For a mutated
Bonobo to ponder...

[END]

Music: Radiation Factory
Lyrics: Tom Bokal / Geoff Tabor
