

## **C.R.S.**

{*INTRO*}

[*1'st Verse*]

I fell in love  
But can't remember  
With who  
Every time I think  
My brain turns  
To glue  
Been calling the dog  
All day  
Wondering why  
He don't come  
Or stay  
I got the  
Can't remember shit  
Blues

{*CHORUS*}

*Cause baby  
Since I can't  
Remember you  
I'm about to loose  
My worried mind*

# THE RADIATION FACTORY

## C.R.S.

*[2'nd Verse]*

Had a bad stroke  
Maybe two  
All I can see  
Is the top of my shoes  
Went to the movies  
With Captain Pike  
Red light blinked  
As I lit up his stogy  
Fire department came  
As I watched bogey  
Can't remember why  
With this C.R.S blues

*{CHORUS}*

*{BRIDGE}*

## **C.R.S.**

*[3'rd verse]*

Went down to the Hunan  
For lunch today  
Ordered 2 dollar chicken  
Extra Hot I'd say  
Chili paste on the side  
Don't hurl no chicken  
On my ride  
Too much mustard  
Shalabhed my brain  
Dom left the tip  
Caused us  
Fortune cookies pain

*{CHORUS}*

*{END}*
