

I Do it Wrong

{INTRO}

{CHORUS}

*I believe my baby got
A black cat bone
I believe my baby got
A black cat bone
Seem like everything I do
Seem like I do it wrong*

You see I tried so hard
Get along with that women of mine
I tried real hard
Get along with that woman of mine
But seem like the harder I tried
She always end up screaming and crying

Went down to San Antonio
Up to Niagara Falls
Missing my fine legged woman
But had no luck
When I got home

{CHORUS}

{BRIDGE}

{1'ST VERSE REPEATED}

{CHORUS}
