

# **PIG DOG OPERA**

## **[INTRO]**

### **[VERSE]**

Ever since I was a young boy  
I collected ugly frogs  
From Cleveland east to Pittsburgh

### **[2'nd VERSE]**

I got the blues it gives me power  
I got a beef bone  
Ever since I was a young boy  
I collected ugly frogs  
Ever since I was a young boy  
I collected ugly frogs  
From Cleveland east to Pittsburgh  
I checked under all the logs  
You can keep your old bag ladies  
With roly polly dogs

### **[3'rd VERSE]**

Cause the small guy with the big lips  
A sure is a real Pig Dog  
He sits there at the terminal  
Knows less than the machine  
Wonders why the right code  
Gets him balder with each key stroke  
Works by intuition  
And smells just like a hog  
That smoke encrusted ugly dude  
Sure is a real Pig Dog

## **PIG DOG OPERA**

### **[4'th VERSE]**

He's an English Pig Dog  
Runs PIP and EDI  
An English Pig Dog  
Got fingers just like your thighs  
Why do you think he works here  
I don't know  
Who thinks He's so good  
Ain't got no distractions  
Can't read an ODL  
Makes pee soup out of shrubbery  
Thinks Warren is swell  
Wears macho boots of leather  
Runs 20 miles per jog  
This poster child for birth control  
Sure is a real Pig Dog
