

OLD ALLEYNANS IN CANADA

DULWICH COLLEGE

BRITISH STATE PENSIONS

August 12, 2005

Not yet claimed the British Pension to which you are entitled?

Too old? Too young? Too busy? Enough worktime in the UK?

Would claiming it be worth the trouble?

If you are under 60 women / 65 men and have worked for 2 years in the UK I can get you a UK Pension

(FYI – at today's exchange the absolute minimum pension for a married couple is \$3,454 CAD pa and this is on top of any CPP or other private income)

Like a Newcastle Pensions veteran to claim it all for you?

*A Toronto Consultancy with “NO PENSION – NO FEE” guarantee
has already done this in 2004 for over 200 former Brits like you
who found that they qualified from very unpromising situations.*

Cambridge Society of Toronto members have already successfully used this service. References available from ,
