

BACK BY POPULAR DEMAND ...

DAANS is hosting...

Surfing the net Workshop

Part 2 – Review & Hands on Lab

When: Saturday May 9, 2009
Time: 1 - 4 pm (Come before 1 pm)
Where: NSCC Waterfront, Dartmouth
Room: Lab #4335
Presenter: Justin DeBaie, Computer Consultant

Who should attend?

- *Anyone* who went to Part 1 last November 2008
- *Anyone* knows the topics well enough but want to learn how to install plug ins

Topics:

- *Review from Part 1 – Adobe Reader (PDF), Adobe Air , Flash, Java, browsers, etc.*
- *Hands on in Computer lab (learn how to use plug ins in websites)*
- *Any Technical questions are open!*

Presentation in ASL & Refreshments will be provided.

*****INTERESTED TO GO? MUST SIGN UP*****

Reason: Need to know how many computers to book and copies to make for handouts. Only 30 spaces available
