More Entrepreneurs in Action Updates

Talent Agency Opens in Westport

Creative Talent Agency (CTA) has opened at 4120 Pennsylvania in Westport. Founded by Clay Perkins, CTA will work with actors, models, musicians and writers on the local and national level, and to bring more film work to the Kansas City area. Because of his experience working with Hollywood screenwriters, Perkins will work with local writers to help them understand the process of getting their work read, optioned and made.
