

DESCRIPTION

Say & Learn® is a word search game that use reading help, sound repetition, graphic and text association with word meanings to help the teaching, learning and practicing of a language.

The first half of this book has been created to learn and practice English. The second part, to learn and practice Spanish. The **Say & Learn®** users have to follow these three steps to get the best learning result:

1- Read verbally one word from the reading "Help" column.

2- Repeat verbally the word of the "Help" column until you find (up) the word located in the "Español" column.

3- After you find the word (up, in the word search game) write it on the line located under the corresponding picture.
