

## **Biking Campout** **October 4 & 5, 2008**

This years biking trip will be a little different than we have had in the past. We will leave from the Clinic (10AM) on Bike to our camping spot. A truck will haul our camping and cooking supplies. Most of the trip we will be traveling on paved roads. Does anyone have a bike flag for either the front or back rider?

We have decided to start this trip on Saturday so all you bikers to get to the game on Friday.

If you are interested in being the grub master for the weekend (1<sup>st</sup> Class Requirement), please let me know.

The cost will be \$7.00 for food.

What to bring:

Bike  
Bike Helmet  
Carrying bottle or platypus for water  
Personal First Aid Kit  
Regular camping equipment  
Scout Handbook

One scout needs a tire repair kit  
One scout needs a bike repair kit

We will be returning to the Clinic at 12 Noon on Sunday.
