

# Pictured Rocks Backpacking Trip

Troop 466  
May 30 - June 1

This years Backpacking trip will take us along the Pictured Rocks National Shoreline. The exact route has not been picked yet. It has been a few years since we backpacked the shoreline.

Departure will be from the Dehlin Clinic, Friday at 4PM and we will arrive back at the clinic at 2PM on Sunday. We need to get our permit in Munising before 5PM, so we can not be late.

The Pictured Rocks National Lakeshore is a low impact area. Low impact camping is a must (check your scout handbook). We will carry everything in and out of the area. This means you need a backpack to carry your equipment and your share of the troop's equipment, i.e. food, pots and pans, backpacking stoves, fuel, water purification filters, etc. You will also need to bring your own mess kit and utensils.

The cost will be \$9.00, which will cover the food. The permit and hiking fee will be picked up by the troop.

+++++

Backpacking  
Due: May 20, Advancement Night - Electricity

My son has permission to be part of the Backpacking trip on May 30 - June 1 with troop 466 adults.

Take the \$9.00 out of his activity account Y\_\_ N\_\_. Cost will be \$12.00 after May 20<sup>th</sup>.

I, parent or other adult, am interested in helping with this event. \_\_\_\_\_
