

## Troop 466 - Permission Slip

### Boating

Your scout troop will be traveling to the Macfarlane property on Big Stevens Lake on Friday August 29 for a boating trip. We are going to have as many watercrafts as possible. Canoe, Kayak, Row Boat, etc. Bring any watercraft you may have. Departure time will be 4:15PM from the Dehlin Clinic.

Big Stevens Lake is located a few miles east of Forest Highway 13 on County Road 442. Take the Chicago Lake Road, which is before the Camp 7 Lake Recreation Area.

This will be a prep trip for the Fall Camporee on Sept. 5 - 7<sup>th</sup>.

You will be required to bring a PFD (personal floatation device). You may also want to bring your fishing gear, scout handbook, swimming suit and a good story for around the campfire. Are you interested in working on the fishing, canoeing or rowing merit badge?

We will arrive back at the Clinic at 12noon on Sunday August 31<sup>st</sup> with lots of stories and good memories. So "Be Prepared".
