

Troop 466 Permission Slip Jamboree on the Air/ Internet

Our troop is sponsoring a campout on October 17-19, 2008. We will travel to the Ensign Area for a camp out centered around the Jamboree on the Air and Internet.

This is a great opportunity to talk to scouts from other parts of the US and around the World. If you cannot make the whole campout, come sometime on Saturday to get on the Ham Radio and Internet. This has been a very popular fall event for the troop.

Date: October 17-19, 2008

Time: Leave from the Clinic at 5:15PM Friday, return 12PM Sunday.
The later departure time is to help with Popcorn Sales.

Location: Les & Deb Stock's Property
9529 Township Hall X Pt. 5

Cost: \$12.00. Includes the food and patch.

We are planning on doing "Webelos Welcome" along with cooking in Dutch ovens on Saturday.

Webelos II will be invited. This would be a good time to cook your lunch over an open fire for second class, plan ahead. Each Scout needs to sign up to do a Ready Man Pin activity Saturday with the Webelos.

This is a great campout for advancement since most of the day on Saturday is free except for your presentation with the Webelos. We have also discussed making snow shoes.

Return this permission slip by October 7th at our popcorn sales night (starting 6PM).
