- He owned land Memoriam for land purchased in May 1851 on 19 May 1851 in Westminster Township, Middlesex County, Ontario, Canada.²⁷ The Memorial was written to include John Pincombe and all three of his sons - John, William Robert and Richard. No one of the three sons could sell the land without the approval of the other two. This was perhaps a result of land being purchased in 1805 by his father Robert and his first then son Robert. When the son Robert came of age (his father had died in 1827) then Robert sold the property (no benefit to his younger siblings) and emigrated to the United States. Fortunately John had received land from his uncle and he was able to take care of his siblings.

All rooms had wooden lower walls with ornate carving.
