

This Certificate is presented to

Andrew S. Gardener

in appreciation for the time & special skills contributed towards
the Community Service & Technology Project
at Marc Garneau Collegiate Institute.

Technology Project::

Adult Learning Network

Numbers of Hours:

24 Hours

Description:

The Adult Learning Network is a non-profit organization promoting adult courses via the internet. Students design and create web pages and promotions enabling adult students to seek the courses they need for completion of their high school diploma.

The Ministry of Ontario requires each student to perform 40 hours of
Community Service as a requirement in obtaining their high school diploma.

The Technology Projects and hours have been completed under supervision
from teachers in the Technology Department.
