- I believe every child is a learner, and it is for us to ensure that they reach their full potential in every endeavour they undertake.
- I have been an active volunteer not only in many schools, but also in the School Councils and Board Initiatives for the past 15 years.
- I have a passion for education. My compassionate nature always reaches out to anyone in distress, and I am willing to do my best for you.
- I would like to be your connection with the Board - someone who will listen to you, understand you and be there for YOU!!!
- I will reach out to different communities & I speak multiple languages.
