

# The Historic Caravan Club

## On the Vintage Rally Circuit

A sample of the type of display put on by members of the Historic Caravan Club of the UK.

Pictures were taken at events during 2006 and 2007.

The HCC **does not** allow display of any caravan built after 1970 and limits the proportion of caravans built between 1961 and 1970.

A large proportion of members caravans were built before WWII.

If you would like the HCC to put on a display at your show please contact a club representative or visit our website, [www.hcclub.co.uk](http://www.hcclub.co.uk)

A display relies on our members **wanting** to attend your show, therefore a good description of what your show offers and any other incentives you can provide will improve the chances of a display being viable.
